MR. EAMES' SPEAKING ENGAGEMENTS

November 4: Mr. Eames was the principal speaker at a meeting of the New England Camp Directors' Association at the Hotel Statler in Boston. His topic was 'Education for Youth in a Postwar World.'

November 12: The Town of Newbury held a Service of Dedication for the Old Town Honor Roll. Mr. Eames carried the greetings of the Academy to those assembled for the ceremony.

November 15-16: The Headmaster was the guest of Milton Academy where he spoke informally at faculty coffee on Wednesday evening and then gave the chapel address to the student body on Thursday morning.

November 24: Mr. Eames carried the greetings of the New England Association of Schools and Colleges, of which he is first vice-president, to the Middle States Association of Colleges and Secondary Schools on the occasion of its annual convention in New York City.

LIEUTENANT ROSS RETURNS TO ADDRESS SCHOOL

At evening meeting on Friday, October twentieth, only one day after his return to this country, Flight Lieutenant Arthur S. Ross, of the class of '37, spoke to the school about his experiences in France and England. To a thrilled audience of boys and masters, Lieutenant Ross, with characteristic humor, explained how on a strafing mission over France on June eleventh, his plane caught fire from a German ammunition truck which exploded beneath him. He jumped from an altitude of less than 200 feet, but fortunately his parachute opened in time, and he landed in enemy territory. For the next six weeks he played the role of a French woodcutter with the aid of the French underground, who provided him with false identification papers. He succeeded in fooling the Germans and entered Paris just in time to witness its liberation by the F. F. I.

Lieutenant Ross, who also shot down three German planes, will be awarded the British Distinguished Flying Cross by King George.

Vespers

October 22nd: The Reverend Herbert H. Hitchen, Unitarian Church, West Newton.

October 29th: The Reverend Wallace W. Anderson, State Street Congregational Church, Portland, Maine.

November 5th: The Reverend Richard Cartmell, St. Paul's Church, Newton Highlands.

November 12th: The Reverend Laurence A. Barber, Orthodox Congregational Church, Arlington.

November 19: The Reverend Daniel Boone, Ascension Memorial Church, Ipswich.

December 3rd: The Reverend Stanley E. Anderson, Belleville Congregational Church, Newburyport.

* * *

Mr. Hitchen called for 'bigger men in a smaller world'. The bonds of human interdependence become daily more numerous. In a world situation fraught with tension by the proximity in time of other people, other lands, our only hope for international peace lies in the hands of men of great vision. Our present need is for men of big minds and unselfish spirit.

* * *

Mr. Barber brought with him an Indian Arrowhead which he showed to his audience. He then went on to quote a poem by Henry Van Dyke in which life is compared to an arrow. Learning to draw the bow is of prime importance to the archer; by this means alone can one hope to aim accurately, bend the bow correctly, and shoot direct to the mark. Studying in school is like drawing the bow. Here we develop the skills, the personal qualities, the emotional stability which will enable us to shoot fast and straight to the mark in life.

* * *

Mr. Anderson said that he had no sympathy for fatalists. The fatalists, he explained, are merely using the excuse that they are "born unlucky" to cover up their lack of will power in changing themselves into successful men. There are some things about which we can do nothing, but with

God's help we can change most things in life for the better.

* * *

Mr. Cartmell recalled to the student body the myth concerning Theseus and the Minotaur. In our day, he said, we send our youths and maidens into the maze of international intrigue to fight a monster called war. We have supplied good weapons for the termination of this particular war, but our religion, the strand of thread by which we must find our way out of this maze, is in dubious standing. Real, earnest religion alone can guide us out of the labyrinthan problems of the postwar world.

* * *

Mr. Boone pointed out that we have much to be thankful for even in a war-torn world. We may be grateful, above all, for the gift of life itself, and for the divine Providence which guides us. He read excerpts from Governor Saltonstall's Thanksgiving Proclamation and cited the Governor himself as one who has been humbly thankful in the midst of personal trials.

* * *

Mr. Anderson discussed the timeless question "what is right?" Philosophers say that knowledge is right, but they tend to disregard the great disparity between theory and applied knowledge. The Stoics argued that we should remain in comfortable mediocrity so that life would hurt us as little as possible. Nietzsche, the philosopher of the dictators, claimed that God was dead and that therefore right is determined by the strongest man. The most satisfying conception of right is Christianity, Mr. Anderson said, because without repressing our individuality and our moral senses, it provides a steady compass by which we can rightly guide our lives.

MR. JENNINGS VISITS SCHOOL

Mr. and Mrs. Daniel O. S. Jennings were the guests of Mr. and Mrs. Eames on November 9-10. Mr. Jennings who taught History and civics at Governor Dummer from 1936 to 1941, is now Secretary to the Dean of Admissions at Wesleyan University. He addressed the student body at evening meeting on Friday November 10.

MANY ALUMNI VISIT SCHOOL IN FALL TERM

NATIONAL WAR FUND RECEIVES 100% SUPPORT

Upholding the good precedent established last year, the school gave 100% support to the National War Fund Drive. The student committee conducting the campaign turned over a total of \$530.00 to Mr. Eames, district chairman for the Fund. This represented a substantial increase over last year's subscription.

The committee consisting of representatives from every corridor and three day boys, was headed by Benjamin B. Towne. The following boys were members: Bradley Roberts, Ralph Hertel, George Duffy, Edgar Cartwright, Robert Scribner, Edgar Maxson, John Lautz, Richard Korner, Allen Hughes, William Ward, Homer Ambrose, Harald Kingsland, Thomas Magoun, Irvine Williamson, Philbrick Dennett, Arthur Page and Josiah Welch.

DEWEY CARRIES GOVERNOR DUMMER

The Town Meeting of Governor Dummer Academy was held in the Phillips Building on Thursday, November 2, after evening study hall. Mr. "Unprejudiced" Mercer presided as Moderator and Representative Frank Hinckley (Republican, Massachusetts) and Peter Wiles (Democrat, New York) were the principal orators. Congressmen Charles Stevens and Samuel Gwynn assisted Mr. Hinckley and Congressmen Bill McClary and Bill Silver acted as counsel for the New Deal spokesman. After the chief orators had made speeches defending their respective platforms, questions from the floor were answered by their assistants.

When both sides had set forth their arguments, the school indicated its presidential choice by the landslide vote of 128 to 38 in favor of Governor Dewey.

MR. WILLIAMS INSTRUCTING IN PRONE SHOOTING

More Briefly

The new wing on Perkins Dormitory was completed October 31 and boys who had been temporarily quartered at Adelynrood moved into the new addition on that date.

* * *

In November Mr. Currier received notice of his election to Phi Gamma Mu, national honorary society for students of social science.

* * *

Frank DuGrenier and Tom Magoun were co-captains of the J. V. Football team during the 1944 season.

* * *

On December 2, Mr. Navins addressed the New England Private School Athletic Council at the Harvard Club in Boston. His topic was 'The Offense in Basketball.'

* * *

On November sixth Mr. Sager spoke to the Newburyport Boosters' Club, a group of men who sponsor high school athletics. His topic was *Ethics in Secondary School Sports*.

NEW RIFLE CLUB FLOURISHES

The new Rifle Club, of which Mr. Williams is faculty advisor, now has a membership of sixty boys. Chartered by the National Rifle Association, the club is eligible for a special allotment of ammunition and has recently received a shipment of 20,000 rounds. At a recent meeting officers were elected as follows: Bots Young, President; Paul Withington, Vice-President; Lindy Watkins, Secretary; Edgar Cartwright, Treasurer; and George Duffy, Executive Officer.

Target shooting takes place two or three times each week and the boys who participate keep a record of their marksmanship in order to receive National Rifle Association awards for progress. More than thirty targets are now on file for these awards.

The Walsh Construction Company, donated to the Rifle Club the foreman's shack used during the construction of the Perkins Wing. The shack now makes an excellent target station. A fine target rack has been provided through the efforts of Mr. Williams.

A TRIBUTE TO GOVERNOR DUMMER ALUMNI CITED FOR HEROIC CONDUCT

The Academy is justly proud of all her sons now serving in the armed forces of the Allies. That day is rare when Mr. Eames does not receive from one to half a dozen letters from alumni who are now contributing their share to winning the war. Usually the letters come from the boys themselves, sometimes from their parents, sometimes from Commanding Officers. In these reports are mentioned an impressive number of citations for heroic conduct, and the ARCHON has asked permission to publish the names of the boys who have achieved special distinction in their country's service.

Although the ARCHON staff has made a real effort to avoid omissions, the roll can never be complete. In a struggle so vast, many brave deeds must go unheralded, many brave men must fall without official recognition. We honor here not only those whose names are mentioned in citations. We salute with equal pride all those sons of Governor Dummer who, with full courage but faint praise, are winning democracy's battle on a thousand fronts the world over.

EDITORIAL

Most of us will agree that the fall term is a long and difficult period. Many of us have had to struggle with the scholastic work, and all new boys have had to adapt themselves to a new way of living. For many of us, this business of adaptation to new circumstances and situations is a slow and painful process. Often time has gone by very slowly, and the end of the term never seemed to come nearer. We all think that we deserve the coming Christmas vacation.

The fall term this year, however, has been as successful as it has been replete with activities. We have had the feeling of growth and prosperity in the school. How surprised were the old boys in September to discover that the student body had been increased over last year by almost thirty boys. In the early fall the growing structure of the new Perkins wing stood like a symbol of the spirit of the school. It reminded us constantly that this school, the oldest in the land, is still growing vigorously. New activities, like Mr. Williams' Rifle Club, Mr. Cadigan's Kicking Contest, and the Junior Varsity football team, were enthusiastically supported by the boys. The football season

was successful, and, because this year we had an unusual number of home games, everybody had a wonderful opportunity to see the team in action. The school spirit could not have been better.

It is this spirit which will carry us through the year. It will be easier now because we are "over the hump." The hardest part of the school year lies behind us. After vacation every boy should come back to school determined to follow through on the good start we have made.

PRE-THANKSGIVING FEAST

ENJOYED BY STUDENTS

The succulent turkey of yesteryear was replaced by equally savory duck at this year's pre-Thanksgiving feast on Tuesday evening, November 21. Again the masters were confronted with the problem of carving gracefully under the careful scrutiny of the boys. Results of the mass dissection varied. One master was heard to inquire of another: "What did you use on that bird? Dynamite?" Meanwhile, a special committee of boys circulated among the tables jotting down notes on the relative dexterity of the masters in manipulating the implements. Speculation ran high, bets were laid, heated words were exchanged as each table vied with the next in support of its champion. Mr. Eames peeled off his suitcoat and carved from a standing position. Mr. Wurts scientific bent enabled him to perform the operation neatly. But both science and experience won top honors for Mr. Williams who attacked each savory fowl with real savoir faire.

At evening meeting after dinner, the judges committee, consisting of Frank Hinckley, Chairman; Herb Levine, Shep Sikes, Pud Harrower, George Douglas, Arch Kingsley, and Lev Storer awarded prizes for distinguished serving. Mr. Williams was handed a very large and very belligerent old hen as first prize for the competition. Mr. Navins received a hacksaw as consolation prize, and Mr. Ohrn, for reasons unstated, was given an efficient looking hammer.

After the presentation of prizes, Mr. Eames called on Lieutenant Wendell Sargent, '39, a B-17 Bomber pilot, to speak. Lieutenant Sargent has flown 35 missions over Germany and has been awarded the Distinguished Flying Cross with four Oak Leaf Clusters and a Presidential Citation.

He recounted for the boys his most exciting adventure as pilot, the first bombing raid over Germany in which he took part.

The evenings entertainment was concluded with the showing of a movie, an innovation in pre-Thanksgiving festivities at Governor Dummer. *The Mask of Dimitrios* proved to be an excellent climax to a thoroughly happy occasion.

REVEREND MARK SPEAKS AT EVENING MEETING

Reverend John Nichol Mark returned on November 17 to speak about Robert Burns, the man and the poet. In his address Mr. Mark mentioned the strong feeling of all Scotsmen for their national poet.

Burns was no paragon of narrow virtue. He was a robust, earthy person imbued with many human frailties. In his poetry, however, he transcended the limits of human weakness and embodied in verse the best and most enduring qualities of man and his environment.

As a religious poet, he set forth the basis of national strength in the humble but godly man. As a humorous commentator on worldly foibles, hypocrisy and intolerance, he penned great numbers of epigrams, pungent with original wit and searing in their satire. As exponent of world brotherhood, he was one of the first inter-nationalists, pleading for world fellowship and castigating war-mongering political factions.

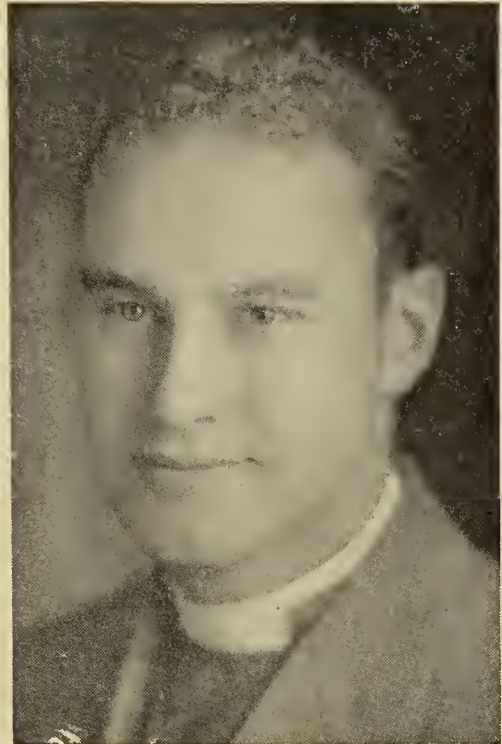

FALL MOVIES CONTINUED

Mr. Koslowski addressed the students and friends of Newburyport High School at a rally preceding the Newburyport-Haverhill football game on November 3.

REVEREND GEORGE CADIGAN
Donor of New Kicking Trophy

REVEREND CADIGAN SPONSORS KICKING CONTEST

On Thursday, November 16, a kicking contest was held on Morse Field to determine which boy was best in place-kicking, punting, and drop-kicking. The Kimball Eastman Trophy, in memory of a Governor Dummer alumnus recently reported missing, was donated for the contest by Mr. George Cadigan. This year the trophy was won by Arch Kingsley, who took first place with a total of thirteen points. In second place was Ormie Aldred with 10 points, and in third place, Pete Sutton with 6 points.

The contest was directed by Mr. Cadigan who has coached the Governors in kicking throughout the season. As a star football player at Amherst and captain of the Amherst squad in 1932, Mr. Cadigan studied under one of the great kickers of football history, the famous Leroy Mills. Mr. Cadigan has been a loyal supporter of the Governors' football team for several seasons and attended all games played by the team at South Byfield this fall. In addition to his work with the varsity squad in football, he has been a regular speaker at Sunday night services.

GOVERNORS DEFEAT TABOR AND MOSES BROWN

JOHNSON STARS AGAINST TABOR

With each member of the team playing an inspired game, the Red and White eleven plowed to a 13-7 victory over Tabor on November 11. Sparked by Keith Johnson the team scored in the first and third periods and threatened on several other occasions. Captain Young opened the scoring when he rallied on an off-tackle play in the first quarter and then converted the point. Johnson, who ripped off several large gains during the afternoon, scored on a twenty yard dash through the center of the Tabor line in the third period. Tabor fought hard and scored in the closing minutes of the game. Among the Governors who played brilliant football throughout the game were Hinckley, Sikes and MacHarrie.

Line-up: c, Kingsley; rg, Withington; lg, Maxson; rt, Hinckley; lt, Otis; re, Douglas; le, MacHarrie; qb, Young; rhb, Teel; lhb, Sikes; fb, Johnson.

GOVERNORS UPSET UNDEFEATED MOSES BROWN TEAM

The Governors won over an undefeated Moses Brown team by a 12-7 score in their last home appearance of the season, November 4. The team had been given an impressive rally the night before and were geared high for this important contest. Keith Johnson opened the scoring when he smashed over on a line plunge. Midway through the second period Douglas scored standing up on a deceptive end-around play. Both conversions were missed. Moses Brown scored near the end of the half, making the score 12-7. The game see-sawed back and forth until late in the fourth period when Moses Brown drove to the Governors' six yard line where the spirited Red and White eleven held, and there the game ended. Keith Johnson was sensational and McHarrie, Sikes and Aldred played brilliant football.

GOVERNORS TO PARTICIPATE IN HOCKEY CONFERENCE

The Governor Dummer Hockey squad will participate again this year in the Private School Hockey Conference at the Boston Skating Club during the Christmas vacation. Other schools which will be represented in the round robin series of games are: Milton, St. Mark's, Middlesex, Noble and Greenough, Thayer, and Belmont Hill. Games will be played December 27, 28, 29, and 30.

The school's team has played in the conference since its establishment three years ago. Coach Murphy feels the Red and White will make a good showing this year. Among the hockey stalwarts returning from last years squad are: Bots Young, Paul Withington, Brad Davis, and Ormie Aldred, Newcomers who are expected to contribute to the teams success are: Pete Sutton, Al Teel, and Al Huff.

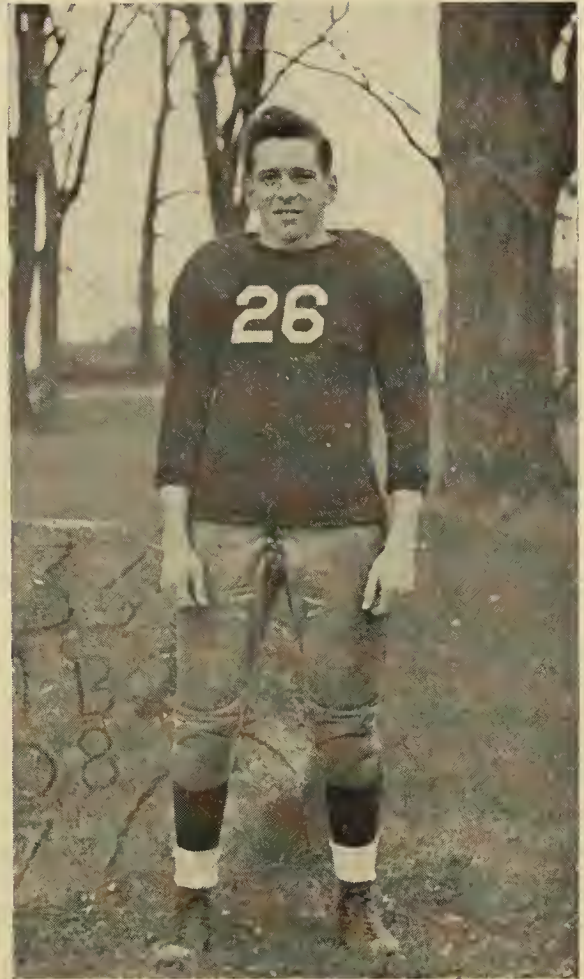

In preparation for the vacation matches two practice sessions have been held in the Boston Garden. About twenty players made these trips and the workouts have made it possible for the coaches to pick out likely candidates for the various positions on the team.

TABOR DEFEATS GOVERNORS IN SOCCER MATCH, 2-0

On a very cold day the Governors lost to a good Tabor soccer team 2-0. At the half its score was 0-0 but in the third and fourth period Tabor scored. Pete Dennett, Captain Waugh and Tim Catlin shone for the Governors.

STRONG MEDFORD SOCCER TEAM DOWNS GOVERNORS 4-1

The Red and White soccer team lost to Medford by a 4-1 score. The visitors scored all their goals in the first half and were held scoreless in the second. Miguel Ortega kicked in our only goal. George Brown, Ortega, Dennett and Chip Stuart starred for the Governors' cause.

SHEPHERD SIKES

Captain-Elect of the 1945 Football Team. He is the Son of Mr. and Mrs. Allen B. Sikes of White Plains, New York.

MILTON DOWNS RED AND WHITE 12-6

In a game postponed because of rain from Saturday to the following Monday, October 23, the Governors lost to a hard-hitting Milton eleven. Milton had a fast charging line and several fast players in the backfield, and scored first with a long march down the field. The Red and White quickly retaliated with a scoring pass from Young to Douglas. The deciding touchdown came in the final period on a line plunge. The Governors threatened constantly and at the game's end were deep in Milton territory. The outstanding player for the Red and White was George Douglas who played through a large part of the contest with an injury which was painful though not dangerous. Bots Young and Keith Johnson also shone for Governor Dummer.

MR. KOSLOWSKI COACHING J.V. GRASS DRILL

J.V.'s COMPLETE SUCCESSFUL FOOTBALL SEASON

Under the able leadership of Coaches Koslowski and Currier, Governor Dummer's new J. V. football team completed a highly successful season by defeating the Emerson School 13-7 at Morse Field on November 17. Here are highlights of the games:

OCTOBER 11TH: The Governors played a one-sided battle against an older and heavier Ipswich varsity team on Morse Field. The game ended in a 20-0 victory for Ipswich. Gorton Baldwin, Frank DuGrenier and Tom Magoun were the outstanding players for Governor Dummer.

OCTOBER 20TH: The Governors met the Newburyport J.V.'s on Morse Field. Baldwin scored touchdowns by end runs in each of the first two periods. Newburyport's single tally came in the second quarter making the score 12-6. In the third quarter, Magoun crossed the end stripes for a third Red and White score and a final touchdown by Baldwin late in the last period gave the Governors a 24-6 victory.

OCTOBER 26TH: The Red and White played Haverhill High School's Freshman team. Touchdowns were scored by Baldwin and Welch in the first period, and Kimball and Harlow accounted for two more scores in the second half, making the final score 24-0 in favor of the Governors.

OCTOBER 27TH: The J.V.'s lightweight team encountered the Brooks School Minimersians at North Andover. The Brooks team played hard but were unable to hold the Governors. Dick McCusker, Al Hughes, and Scottie Merrow scored a touchdown apiece and McCusker converted one point after touchdown to make the final score 19-0. Mrs. Franklin D. Roosevelt was a spectator at the game.

NOVEMBER 3RD: Hampton Academy varsity team handed the Governors their second defeat of the season on Morse Field. By a strong passing offense, the Hampton players rolled up a total score of 27 points against the Governors' 7. Harlow made the lone Red and White score with DuGrenier converting the extra point.

NOVEMBER 8TH: The Brooks School Mersians played the J. V. regulars at South

Byfield. Brooks scored on a pass in the first period and converted the point making the score 7-0. In the third quarter Joe Welch intercepted a Mersian pass and ran eighty yards to score for the Governors. The game ended 7-6 in favor of the Brooks team when the Red and White failed to convert the point.

NOVEMBER 17TH: The J. V.'s completed their season with a 13-0 victory over a strong Emerson school team. Welch made the first score for the Governors by a short run around end, after which DuGrenier converted the point. Walters made the second touchdown for the Governors in the fourth period.

GOVERNORS LOSE TO MILTON 2-1

The Milton soccer team upset the Red and White by the score of 2-1 on October twenty-first. There was no scoring until the third period when Ortega booted a perfect goal. But then a lapse in the Governors' defense let Milton score two quick goals. The Governors pressed very hard in the last period and threatened to score several times. Pete Dennett played his usual excellent game and Walter Nichols also did well.

J.V.S. LOSE SOCCER MATCH TO BROOKS 3-1

In their opening game, the Junior Varsity soccer team lost to the Brooks varsity squad. The Brooks team, somewhat older and larger than our team, scored goals in the first three periods, while Bill Silver scored our only goal on a hard shot in the third period. The whole team played extremely well and everyone did his best. Ash Eames, John Veasey, Bill Silver, Pete Houston, "Squeak" Leary, and Norm Brown all played good ball.

GOVERNORS LOSE TO THAYER 26-6

Hampered by many injuries, the Governors put up a stiff fight but lost to a powerful Thayer eleven on October 28. Thayer had two very powerful backs who drove hard throughout the game. The Red and Whites' only score came as a result of a pass from Young to George Douglas. The team fought all the way but Thayer had too much power.

EXETER DEFEATS GOVERNORS

Against a capable and experienced Exeter team, the Governors played very well but lost 6-0. Exeter was held scoreless in the first period, but scored 2 goals in each of the next three periods. Pete Dennett and Brad Davis once more shone in a losing cause for the Red and White.
